Dear Ms. Kump:

Modine Manufacturing Company is writing in response to Missouri DNR's request for additional justification for the 30 day extension concerning the negotiations of the Draft Corrective Action Abatement Order on Consent, Modine Manufacturing Company, 179 Sunset Drive, P.O. Box 636, Camden County, Missouri.

The extension was requested due to several scheduling conflicts for the Modine parties involved in the negotiation. The conflicts include prior commitments to other projects, preparation time for a Federal court case, vacation time and other similar time constraints. If you have any further questions on this matter, please contact me at (414) 636-1649 or at the letterhead address.

Sincerely,

Thomas S. Sanicola
Environmental Engineer
